

Assessment Event 3: Project 1

Due: Week 10/at the end of Unit 11

Time Allowed: Approximately 2 weeks

Weighting: 15%

INSTRUCTIONS TO STUDENTS

You will complete this Assessment Event on your own. This project is linked to two other assessment events:

- *GAC002, Assessment Event 2: Written Description*, due in Week 9. In this assessment, you are required to research a chosen rare/endangered animal species during Independent Study Time, and then bring your notes to class and write a 250-word description under test conditions.
- *GA001, Assessment Event 2: Individual Oral Presentation*, due in Week 10. In this assessment, you are required to prepare and deliver a 5-minute oral presentation followed by a 3-minute question and answer session.

For this assessment, your task is to conduct research on the Internet and create a 5-minute PowerPoint presentation to use for *GAC001*: description of a **rare** or **endangered** animal species.

Instructions		Marks
